New this year

In the exhibition
Roll Up displays are used to
• categorize the exhibitors’ booths
• to make the topics presented visible
• out of 5 JT topics vendors chose those being supported by their tools and services

e.g. this exhibitor is
• Supporting Visualization
• Not supporting VR/AR
Today‘s photos might be published if not wanted – just let us know
Enjoy the day!

We wish you all an exciting JT day with interesting key notes, vendor talks and success stories as well as inspirational discussions!

Dear Speakers, Exhibitors, Sponsors and Guests…

MANY THANKS!
